

CHF | SUMMIT 2021

Shifting Gears

A flagship cross-Tasman event focused on consumers transforming health

18-19 March 2021
International Convention Centre, Sydney

The inaugural Australian and New Zealand Consumer Experience and Leadership Summit will gather health consumer advocates, clinicians, researchers and organisations to hear and discuss developments at the forefront of consumer-centred care.

FEATURES

Big Ideas Forum: Showcasing innovative thinking from consumers to transform healthcare. *Applications open late July.*

Capturing experiences of care: a pre-conference masterclass in experience based co-design.

THEMES

Consumers as researchers:
Partnering for new knowledge and translation

Consumer-based health care:
Integrating consumer and community values in health care and decision-making

Consumer leadership:
Collaborative partnerships in individual health care, services and system innovation

Consumer enablement:
Creating supportive environments
