

# Welcome to Health Voices

The notion that consumers are the silent partners in medical research is changing in step with the rise of consumer influence and individualised therapies. And in the latest Federal Budget medical research funding is providing for consumers to have a role in helping identify research priorities. In this edition of Health Voices, leading Australian researchers and health consumers examine how consumers can influence research.

**Health Research and Consumers – Good Thinking**  
**Read the latest issue here.**

**Health Voices** – *Journal of the Consumers Health Forum of Australia* is published by CHF two times a year to promote debate on health care issues affecting all Australians and of interest to health consumers, government and industry. ISSN 1835-5862 (Print) ISSN 1835-8810 (Online)
